“ *June: I worked with Wade and he was such a wonderful man. He never complained or was negative about work and he was refreshing in that and many other ways! I was on his joke distribution list and loved receiving his emails. When I came back to work on Monday after his passing, I had tears seeing those emails. He was such a precious friend and co-worker. You and your family were lucky to have such a wonderful man in your lives. He will surely be missed in our group and I will remember him always! I pray for you and your family and hope God's healing hand helps you through this tragedy.*

“ *We are so sorry for your loss. Wade was a wonderful man and we thought a lot of him. We both worked at TBE with him in years past. We remember him talking about Mrs. June with love and respect. Our prayers are with each of you during this sudden loss.*

“ *Words cannot convey my feeling of loss of this tremendous friend and colleague. Wade put a smile on the face of everyone who knew him. The world is a lesser place with his passing. My deepest sympathies to his family whom he loved so much.*
