Prayers for the entire family. Mr. Robertson was such a positive figure in lives of many students in the White Plains area. His leadership certainly has made a difference. We are better people for having known Mr. Robertson. I am so proud to call him friend, boss and principal.

The Robertson Family treated me like a relative for the past 20 plus years. They were close to my parents (now deceased) for many years also. Everytime I have been in their company, I come away feeling as if God's love has enclosed me. Becky Johnson Richardson
