“ Christmas day 2023

It's been 6 months since I last visited here and I absolutely love this head stone that was made! Just wanted to keep up my promise of visiting every time I'm in town so I came by to put some little Christmas gnomes and red flowers. ☐ It was the rainiest, ugliest day but when I went, it was beautiful and clear. Hope your first Christmas up there was awesome man ☐

“ Top 2 are 3 months ago the day my friend was buried.
Bottom 2 are around the same time but take today.

I guess my friend knew how to get me distracted easily because I saw a skunk and definitely missed my turn so ended up on the scenic route which was one of the things we both agreed was that sometimes taking the long way somewhere took you through some of the most beautiful views.

You're definitely missed dude. Sad we didn't get a longer friendship nor to do our axe throwing double date.

“ *It was an honor to have become friends with you. I'll cherish the talks that we did have and I am so so sad that I was a few days away from being able to see you, dude. I still kept up my promise and came to see you even if it wasn't how it should have been... I'll always come see you and talk to you when I do my visits to Alabama. I'll forever cherish the time I got to know you and your friendship will forever be appreciated. You touched a lot of lives and your mark will forever remain on all of our hearts 💙*
